# TIMELINE - WHAT TO EXPECT

## 1 THE BOOKING

As soon as you get your Bar/Bat Mitzvah date, contact us to get on our calendar. Once we have your date on the calendar and you select your package, we will send out our contract and collect the deposit.

As your date gets closer, we will get back to you to schedule timing for the synagogue portrait sessions, casual photo session and party timing.

## 2 THE PHOTOSHOOTS

Casual shoots are typically done about 6 weeks prior to the Mitzvah date. They typically last about an hour or two and can be done at any location of your choosing.

The synagogue portraits are done before Friday night services and vary slightly depending on your synagogue. This session will last about 2 hours starting with the Bar/Bat Mitzvah boy/girl and ending with a series of family photos. We will go over the specific shot list about a week before the Mitzvah.

It's time to party and everyone is excited. Party coverage is fun and energetic. You enjoy the party and we'll capture the memories.

## 3 THE PREMIERE

Approximately 10-14 days after your the Mitzvah weekend, we will have the initial photos ready for you to see and share. A secure link will be sent to you which will provide you with direct access to your private gallery. Once you have chosen the photos you want to include in an album or have printed, we will complete any fine edits and adjustments on your photos to get them ready for print. Final proofs will be emailed to you before any images or albums are printed.

## 4 THE DELIVERY

Once albums and/or artwork has been ordered, expect to see them delivered to you within 6-8 weeks, however this timeline is largely controlled by the lab. We will keep you updated as we get updates from the lab. Artwork and albums will be delivered to our studio and we will then make arrangements with you to deliver them to your doorstep.

If you choose to get digital files in lieu of prints or an album, the digital files will be sent to you along with a
